Letter from Kim....

Welcome to the autumn newsletter, hope you had a great summer and most worryingly we are planning Christmas in the office!!! Just a word about membership everybody will be sent a renewal during September. Please return them quickly, we don't send reminders so if they are not returned then the final newsletter of the year which includes the Christmas celebrations won't be received. We do prefer to have an updated membership form but if you are sure that nothing has changed then you can just make a payment via BACS, details on the renewal letter. However please tell Claire claire@lupwolverhampton.org.uk. What you are doing. Bookings are to be received by 11th September to the usual email bookings@lupwolverhampton.org.uk

Halloween Fright Night

3:00pm - 5:30ish...

Sycamore Adventure

Sycamore Green Adventure Centre, Old Park Farm
Estate, Dudley, DY1 3QE

5 - 19 years

This venue is in Dudley and can be tricky to find. Parking is behind the centre in a car park in between the houses. We have exclusive access and will be doing mostly outdoor play, campfire, storytelling, hot food etc. There will be some indoor Halloween crafting.

It will be decorated with a halloween theme including the scarey shack. Of course it will go dark while we are there making the secure outdoor area a little erie.....

Dress up please, adults are welcome to stay and we expect most will, however you can leave them in our care but you must tell us if this is your intention so we can ensure adequate staffing.

There will be places for siblings, cousins etc but of course book places

Please dress appropriately eating areas are outside undercover and of course it will be cold and probably a little muddy

Have asked us to apply for tickets to The Circus at West Park on Wednesday evening 4th October and West Midlands

Safari Park on Saturday 14th October. As in previous years we don't know how many tickets we will get or when we will know how many we have been allocated. If you would like to go on the list please tell Claire.
