

Let Us Play

MARCH

Issue

97

For children with special needs and disabilities and their siblings

This is just a short newsletter to cover March. The Easter play scheme will follow perhaps in the second or third week of March. We have held back because we would really like to do some larger groups and outdoor activities over Easter. At the time I am writing this we have no idea when lockdown will be lifted so it seems prudent to wait and see what opens up and what we are allowed to do. Wouldn't it be lovely to think we can do some larger group stuff and go out and about again? We can tell how much effect this has had on the children, we have noticed increased anxiety in so many of them. I am going to say bookings day is the 1st March. Claire will allocate on this day so requests in by Sunday 28th please. Around half of the membership decided not to access us over February, even so once again it's likely that places will be in high demand. On the morning sessions there are places for Staffordshire children, but there will also be places for LUP membership families as well. Just request what you want and Claire will confirm places. Everybody has been really good about the Covid protocols and made it nice and easy to implement everything. Just remember to tell us if somebody is unwell or if you can't make it for whatever reason. I am expecting to restart the parents group once the children go back to school after Easter.

On 27th February we were due to go Paintballing. The company delayed their opening after winter because of Covid, so the activity got postponed. We have booked Albrington moat as an alternative to go fishing instead. 10:30am start. There are whole family places available on this activity and a small number of unaccompanied places. Let Us Play staff will be present. We expect most families will support their own children. The building and toilets will be open as normal but you will need to bring your own drinks and refreshments. Sessions finishes at 2:30pm. Bait and rods supplied. Will take place whatever the weather.
