This is just a short newsletter covering half term in May and the run up to the main summer break. Wolverhampton Council have stopped funding half term sessions and are not covering the cost of food for half term. We have however decided to continue to offer food just in half term. The children seem to like it, and we enjoy the act of all sitting and eating together. As ever the newsletter will say what the food is. Please remind us of dietary requirements. Recently we have noticed that membership forms aren't always filled in as comprehensively as we would like, especially around this issue. For instance if you eat meat but don't eat beef for religious reasons we need to know. There is always a veggie alternative. Over Easter we had a lot of members who altered their bookings in some way but a very comprehensive number of families who took the trouble to let us know their plans had changed or their children were sick. Thank you for your consideration it was appreciated.

This issue we are once again going to try emailing it along with posting as so many keep arriving late. **Booking requests Monday 12th May please.**
