

Welcome to our Easter edition of 2026. Just a reminder that you won't get a paper copy unless you have requested one.

It may seem a little early, but Bookings day is going to be **Monday 2nd March**. This is all about how early HAF goes live on YO Wolves. As ever please remember to tell us if something changes and you no longer require your place on an activity.

I want to make an appeal for tombola prizes, obviously anything you have unwanted at home is greatly appreciated, but if you are going to go out and buy something then we would rather have 5 items that cost £1 than one item that cost £5. On 17th May we are going to do The Dragon Boat Race taking place at Himley Park, Dudley. We will be running a tombola and information stall. Hopefully it will be a good fundraiser, if anybody can volunteer for an hour or so that would also be appreciated. Do come along to support the day and say hello.

One little point the SEND White Paper which is due out the day I am writing this needs your consideration. I would urge you to read the white paper or at least read the news coverage surrounding it. Have your say it's important. I feel those of you with teenagers may feel it won't apply to you, but please think a bit about those who are coming after. Kim x
