

OCTOBER

Issue

131

After taking a few days off in September we are delighted to share our October newsletter. Bookings day is **Monday 28th September 2026**. This is the day when Claire will allocate.

The summer went well and we have shared a few photographs. Shortly you will receive your membership pack for the next 12 months. Every year we must ask you to fill out the form in full, sign everything and be comprehensive in your description of health, dietary and care needs. If you don't tell us, we don't know. We are not allowed to keep the forms from one year to the next, so your new form replaces the one currently held on file. You can pay the £30 membership in many different ways, most families choose BACS and our bank details are unchanged from last year. We are happy to accept cheques, cash and we do have a card machine in the office should you choose to call in and deliver your form personally. I can't stress enough that membership is not complete until we have your form returned. Last year many paid their membership but failed to return the all-important forms. The December newsletter is only posted to those who have done both.
